

READY FOR **FUTURE** READY TO **BUILD SMART**

There are three reasons why ours is the most preferred ready-mix concrete in India:

ASSURED QUALITY

1. Automated batching plants (advanced Lab Mix & BC Mix Technology)
2. Technical Expertise to address construction Challenges
3. Full Fledged in house Testing Laboratory at each RMX Plant

TRUST AND TRANSPARENCY

1. Cube Testing in customer presence
2. Consistency in Mix Design
3. Customer tour in plant experiencing Batching experience

ALWAYS INNOVATIVE

1. High grade, High Performance & Durable Concrete (100 Mpa & Above)
2. Design To Decorative Concrete
3. Concrete Available in Bags
